## Request for improved lighting

Local residents have asked for better lighting on the path between Acorn Close and Green Crescent. The path, which runs alongside the new scout hut, is well used.

Although there is some lighting some people feel that walking on this path can feel intimidating late at night.

Cllr Marcus Murphy says he is sympathetic to those who have raised this with him and has promised to look into what can be done to reassure people.

## GOSPORT COUNCIL TAKES ACTION AGAINST FLY TIPPERS

The lazy and irresponsible minority who use our neighbourhood like a dustbin have been given a warning: Gosport Council will take action against fly tippers. There have been a series of recent successful prosecutions.

“We operate a zero tolerance policy on fly tipping,” said our local Councillor Marcus Murphy.

You can report any incidents by phoning Gosport Streetscene free on 0800 198 598.

Cllr Marcus Murphy is fed up with fly tipping in Oakdene Woods and next to the Rowner Road bottle banks

## Litter pickers clear-up!

Many thanks to those volunteers who turned up to take part in the *Great British Spring Clean* on 5<sup>th</sup> March.

The event was supported by local councillor Patrick Bergin and was part of a national campaign which saw hundreds of litter picks up and down the country.

The event at Holbrook was one of several in Gosport. The volunteers collected a number sacks of rubbish .
