

Gosport Conservatives

Here for you in Forton all year round!

Gary Walker

Dear Resident

I would like to introduce myself as your Forton Ward Local Conservative Campaigner.

You may recognise me through my work with the Gosport Ambassadors, who promote the fantastic heritage in our area or as a member of the Gosportarians helping to organise Music Madness or taking part in the Santa's Sleigh Tour of Gosport! I have also taken part in local litter picks for the last 2 years.

Family is also very important to me and I am married with two children. My son has special needs and therefore I have very strong links with the special needs community. Some of my work includes being a local authority governor.

I am very community minded and keen to work with local residents, making sure the residents of Gosport are fully heard and represented.

That is why, in the most interesting and exciting political environment for a generation, I want to know your views so I can better campaign and support you.

Please take a few moments to fill in and return the survey on the reverse of this leaflet, or fill out the form online on this link: www.gosportconservatives.org/forton-survey

Whether you are a Conservative voter or not, your views are important and I value your input.

I look forward to meeting many of you in the coming months when I am out and about across Forton.

Gary Walker
