

Gosport Conservatives

Gary Walker—Focusing on Forton

Gary Walker says:

“You've said to me that you do not feel represented by your Liberal Democrat Councillor.

You have spoken and it's now time for change.”

In our recent survey you spoke we listened...

Fly Tipping

Fly tipping is your top concern. Gosport Borough Council are the only Council locally who have used new powers to the full extent and have secured prosecutions against flytippers. Hampshire's Household Waste and Recycling Centres will also remain open, thanks to Gosport Conservatives.

Dog Fouling

Dog Fouling was another top concern in Forton and Gary Walker is campaigning for extra dog fouling signage to be displayed. If you are aware of a dog fouling hotspot, please get in touch so Gary Walker can speak to Streetscene and request for extra patrols in these areas.

Crime

69% of you said you feel safe in your community but Crime was a concern. Our local Community Safety Partnership are working together to make Gosport safer. Our crime stats locally are much better than our surrounding neighbours such as Fareham and Portsmouth.

Recycling

Our recycling rates can be improved, but we have vastly reduced waste going to landfill. Through project Integra our waste produces electricity for 50,000 homes. We have also started a new Garden Waste Scheme showing our commitment to the environment.

60% of you rated Gosport 6+ out of 10 as a place to live. Gary Walker wants everyone to think Gosport is a great place to live! Please could you spare a few minutes to complete the survey below and give us your views?
