## NEW PLAY AREA OPENS IN ALVER VALLEY

Cllr Piers Bateman says: "After a successful campaign, I am delighted that Gosport Borough Council are investing over £300,000 for more facilities in the Alver Valley Country Park. This very popular Play Area benefits local families, and better is yet to come when we install a café, toilets and an extra car park!"

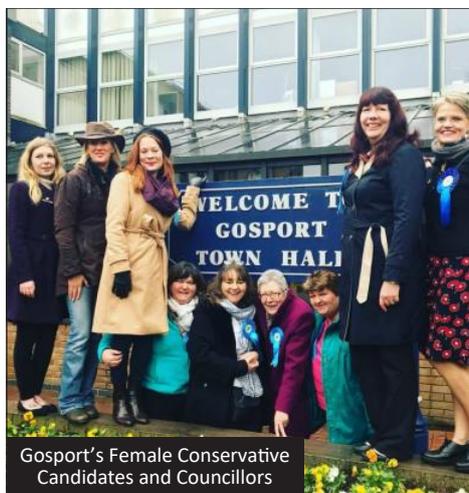

"But this project is only one of many projects and investments as planned by our Conservative-led Council for Lee-on-the-Solent and Gosport as a whole. Working hard on further efficiency savings, with a business plan based on prudence, sustainability and affordability, enables the Council to develop yet more opportunities for employment and skills training, local businesses and leisure facilities – to enhance the well-being of one and all."

### LEE MAKES A SPLASH!

■ Following a campaign with great support from residents, **Piers Bateman** and **Graham Burgess** succeeded in obtaining funding for a Splash Park in Lee.

Piers Bateman said "Listening to residents, I noted how popular the Splash Park at Stokes Bay is. There was strong demand for another facility here in Lee. With the backing of my colleagues, I have long been pressing for this exciting new Splash Park for Lee families and the young.

It's all about enhancing the well-being of our community - and will be a great asset for Lee residents."

## INVESTING IN GOSPORT—INVESTING IN YOU

**Gosport's budget preserves frontline services and boosts the local economy!**

These investments were supported by Gosport Conservatives but Peter Chegwyn's Liberal Democrats voted against all these schemes.

**We will continue to deliver quality services and offer value for money for our residents.**

**We will strive for efficiency savings and look to reduce the level of bureaucracy in the town hall.**

**There will be no cuts or reductions to frontline services, the voluntary sector will receive a 2.5% increase to deliver services for our community and there continues to be substantial investment for regeneration, to create jobs and improve prosperity.**
