Working hard for you in Leesland all year round!

DISGRUNTLED RESIDENTS HAVE THEIR SAY

Your Councillor, who has admitted he has not been working for Leesland, has cost us over £100,000 since he was last elected!

■ Since he was last elected as a Councillor in Leesland, Councillor Peter Chegwyn has cost the residents of Leesland and Gosport £106,090.30. That's a staggering £26,522 a year. Councillor Chegwyn recently admitted in a leaflet that he has not been working for Leesland residents. In another leaflet put out in Hardway and Elson, Councillor Chegwyn admitted to be working for them all year around.

APOLOGY - Peter & Maria wish to apologise for delivering less Focus newsletters than usual last year. This was due to ill health. Both Peter & Maria are now back in action as this Focus newsletter illustrates. They'll try to make up for lost time by working twice as hard on your behalf in 2018.

What he told you

What he told Elson

Mrs H of Jervis Drive said "How can anyone justify receiving over £100,000 of our money in less than four years when he admits to turning his back on Leesland."

Mr S of Vernon Close added "During these difficult times it has been a struggle to make ends meet, no wonder he drives around in a flash sports car!"

It's little wonder people are saying that they feel let down by the Liberal Democrats. It's hardly surprising when they've not been seen or heard in Leesland. Now is the time for change. We need a Leesland Lass to represent us, not a greedy councillor, who doesn't live in Leesland, with his snout in the trough.

100 YEARS OF VOTES FOR WOMEN!

■ Gosport Conservatives got together to celebrate the centenary of Votes for Women and reflect on the work still to do to in the quest for gender equality.

Tuesday 6th February marked 100 years since the Representation of the People Act 1918 was passed, giving the first voting rights to women and extending the vote to men over 21.

Commenting on this milestone Leesland Campaigner, Rebecca Stares, said:

Gosport's Female Conservative Candidates and Councillors

"The progress we have made on these issues has not simply been given to us. It has been fought for every single step of the way. I'm so proud that 40% of Gosport Borough Councillors are women, it's much better than Parliament, with only 32% female MP's."

LEESLAND PARK

■ Gosport Conservatives and Labour Councillors voted to spend £81,000 for improvements to Leesland Park. The only Councillors to vote against this were the Liberal Democrats, led by their leader Councillor Peter Chegwyn.

Becky Stares, our Local Leesland Lass, said: "It's disgraceful, first we don't see him in Leesland anymore, and now he votes against a scheme for our Children.

"He should hang his head in shame. He obviously doesn't have children of his own."

INVESTING IN GOSPORT—INVESTING IN YOU

Gosport's budget preserves frontline services and boosts the local economy!

These investments were supported by Gosport Conservatives but Peter Chegwyn's Liberal Democrats voted against all these schemes.

We will continue to deliver quality services and offer value for money for our residents.

We will strive for efficiency savings and look to reduce the level of bureaucracy in the town hall.

There will be no cuts or reductions to frontline services, the voluntary sector will receive a 2.5% increase to deliver services for our community and there continues to be substantial investment for regeneration, to create jobs and improve prosperity.
