

# Gosport Conservatives

Here for you in Privett all year round!

Sean Blackman

*Dear Resident*

I would like to introduce myself as your Privett Ward Local Conservative Campaigner.

I am a local Church Minister who has been married to Cheryl for over 30 years, together we have 3 daughters and 2 granddaughters.

I have always aimed to serve the local community and sought to make a difference if I can. One example is when I became a Governor at a school in Gosport. Encouraging the children to read was a challenge, therefore I started a project called 100 Books in 100 Days where I read to the children and asked them to support me by setting their own individual goals.

The project was an incredible success, not just in school results, but many children reported discovering a joy of reading for themselves and I continue to go into school each week and listen to the children read.

In seeking to represent you, I want to know your views so I can better campaign and support you.

Would you kindly take a few moments to fill in and return the survey on the reverse of this leaflet, or fill out the form online on this link: [www.gosportconservatives.org/privett-survey](http://www.gosportconservatives.org/privett-survey)

Seeing our community improved for the better is in everyone's interest and your views are very important to me.

I hope I get an opportunity to meet you in the coming months when I am out and about across Privett.

*Sean Blackman*
