# A RECORD OF ACTION, A PROMISE OF MORE

I was first elected as your **Police and Crime Commissioner** in May 2021. Since then, we have worked hard to **reduce crime** and **make our communities safer**. I promised and I've delivered:

- ✓ **RETURN of local bobbies**  
for EVERY community across Hampshire and the Isle of Wight
- ✓ **650 MORE police officers**  
over the last three years
- ✓ **10 NEW police stations**  
and front counters opening throughout 2024 - 2025

If elected, I will:

- Recruit **75 more police officers** over the next year
- Introduce **rural crime-fighting teams**
- Set up a new **shoplifting task force**
