

GOSPORT CONSERVATIVE CLUB

NEWSLETTER

Membership

Application for new membership closes at the end of September. New applications will not be processed until December when the full years membership fee becomes payable. Renewal of membership for 2013 will remain at £23.00 or £25.50 with affiliation card. Renewal envelopes will be available from 1st December.

Goodbye James

James who has been a faithful employee of the Club for many years in both full and part time has finally decided to leave to pursue another career. We wish him all the best and should he ever decide to return he will be most welcome. GOOD LUCK JAMES.

CHRISTMAS DRAW

The Christmas draw will commence on 1st September with the sheets going up on the notice board. Please support the draw and make it a memorable Christmas. The draw will on Saturday 22nd December.

Centenary Celebrations

In 2014 the Club will be celebrating its 100th Anniversary. We welcome any feed back from you the members as what you would like to do to celebrate this memorable occasion. A number of fund raising ideas will be going on to raise money for this event, please support them.

Club Lottery

We intend to start a Club lottery to help raise funds for the Centenary celebrations, this is how it would work. Each member who enters would pick six numbers (1-49) which will be entered onto a main sheet . Every Saturday on the main Lotto Draw, anyone who has any of the main Nos. in the Draw (not the Bonus Ball) will have the numbers crossed off. This will probably roll over for several weeks before someone has all six numbers crossed off. The cost will be £1.00 per week and depending on how many people enter this could produce a payout of several hundred pounds. Once the draws have started no one can join until it has been won and a new draw started. 10% of the total will go towards the Centenary Celebration. You may enter as many blocks of six numbers as you like at a cost of £1.00 each per week. Watch the notice boards in the Club for further details.

Pool & Snooker

We have three full size Snooker tables in the upstairs Snooker room. The middle table is very rarely used and we would like to know if any members would be interested in playing pool if we were to remove the centre table and replace it with a pool table at a cost 50p or £1 a game. If you are interested please place your name or membership number on one of the posters displayed in the Club.
