

NEW LEISURE PARK FOR GOSPORT

Conservatives deliver on their promise to you

Gosport Conservatives are delighted to announce that a consortium led by DC Leisure has been chosen to build the new leisure facilities on the Holbrook site. DC Leisure will build and operate the new leisure centre which will contain a 25m main pool, learner pool, spectator area, 70 station fitness suite, health suite with sauna/steam room, dance studio, sports hall to accommodate basketball, badminton, volleyball 5-a-side, Futsal and a floodlit 3G Synthetic Turf Pitch (100 x 60m) providing eight 5-a-side courts and a 7-a-side pitch.

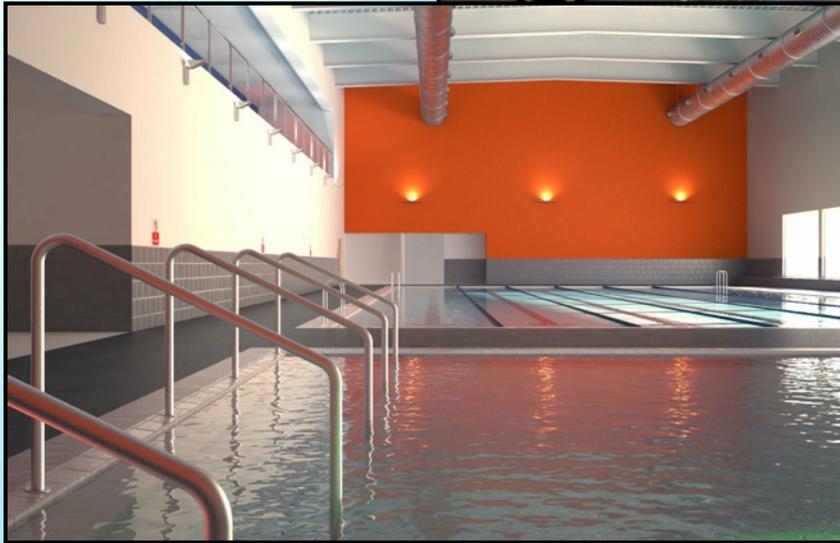

Gosport Leisure Park will also include a 61 bed hotel, a pub/restaurant, an improved children's play area, a trim trail and 2 mini soccer pitches.

Gosport Conservatives have always said we would deliver a new leisure facility to replace Holbrook. This project was on the top of our list. The people of Gosport deserve a top quality leisure facility and that is what we are going to provide. We are delighted to not only be able to replace the old leisure centre with a modern and enhanced facility but to have been able to add so much more including an hotel.

Gosport Leisure Park will be on course to be completed in time for the summer Olympics 2012, a promise we made and will keep.
